Krista Bard is a Philadelphia-based artist whose collection "Sacred Words" is a series of metaphysical works on paper created as meditative lenses to focus our awareness. Bard draws on the power of words and the language of world religions to create new symbols in her own iconic script, raising awareness of the meaning and energy of each word. The works are all prayers, either conveying secular inspiration or interfaith supplications.

5% of proceeds on the opening night will be donated to
The Sundari Foundation, a 501c3 charity which operates The Lotus House.
